

Arcane Trumpet Tune Number Three

"Mischievous Puck up to his tricks"

for organ

Anthony Skilbeck

*First performed by the composer in
All Saints' Parish Church, Gainsborough
on 1st October 2005*

The description "arcane" is because, unlike most organ trumpet tunes, this one (and numbers one and two) eschews festivity, triumphalism or pomposity.

"Puck": (Old English *puca*, of obscure origin): a mischievous or evil spirit. Adjective: *puckish*.
